

Zodi Hut Shower Enclosure #1063

The Zodi shower shelter is HUGE! - Almost 4 feet wide per side! Most enclosures are Tepee shaped and get smaller near the shoulders, not the Zodi Hut. In fact the Zodi Hut is almost 6 ft across. The door is overlapped and springs shut automatically without zippers that gum up with mud. The privacy enclosure works great for showering, bathrooms and changing clothes in private. Oversized detachable floors keeps you clear of mud and dirt. Industrial quality with professional rated components. The Zodi Hut is the best portable shower enclosure.
